

ABOUT ANUR

Adikavi Nannaya University was established on 22nd April 2006, by an Act of the Andhra Pradesh State Legislative Assembly to meet the higher education needs of East & West Godavari districts. It is an affiliating residential university with territorial jurisdiction over East & West Godavari districts of Andhra Pradesh, named after the first poet of Telugu culture, Nannaya (the eleventh century translator of Mahabharata from Sanskrit to Telugu), the court poet of Rajah Rajah Narendra, (the Eastern Chalukya King). The university was established to fulfil the cherished dream of the people of this region, on the sacred banks of River Godavari.

This university aims to combine the pristine cultural ethos and the contemporary demands of educational excellence in its vision. Combining class room and field/lab learning process, nurtured through academia industry relationship, the student shall embark on a journey of intellectual transformation.

ABOUT COLLEGE OF ENGINEERING

University College of Engineering was established since the inception of the University. UCE offers three Post-Graduate programs, MCA, M.Tech (CST), M.Tech (CST with BDA) and four under graduate programs B.Tech (CSE, EIE, ECE and IT). UCE also offers Ph.D Program in CSE. The UCE excels with a potential of excellent faculty involved in diverse research areas. The objective of the UCE is to nurture students to achieve excellence in various fields of the technology and to be within the vicinity of Industry demands combined with research oriented thoughts. Students are progressively exposed to a gamut of subjects from core subjects to advanced technologies which will make them competent enough in today's era in the field of Engineering & Technology.

ABOUT DEPARTMENT OF CSE

The Department of Computer Science and Engineering offering three PG Programs MCA, M.Tech (CST) and M.Tech (CST with BDA), and two UG Programs B.Tech (CSE and IT) with the objective of providing trained professionals to I.T Industry. CSE Department also provides Ph.D (full time and part time) program in CSE.

ABOUT WORKSHOP

The aim of the workshop on "Role of Statistics in Data Science" is to provide an opportunity for researchers, scientists and faculty to enhance their knowledge about Statistics in Data Science. This workshop will provide interactive platform for the personnel, participants and delegates.

WHO MAY BENEFIT

- The workshop is well suited for research scholars who are currently pursuing research.
- The workshop is also applicable to research aspirants who wish to pursue research.
- The workshop intends to cater to the needs of faculty who want to do their research work in the fields of Statistics in Data Science .

OUTCOME

- The faculty can enhance knowledge on the applications of Statistics in Data Science and across other Computer Science subjects.
- Research Scholars can utilize this workshop in their research.

RESOURCE PERSONS

Prof. C R Rao
University of Hyderabad

Prof. Rajeev Wankar
University of Hyderabad

Dr. Salman Abdul Moiz
University of Hyderabad

Prof. B Muniswamy
Andhra University

Prof. S Madhusudhana Verma
Rayalaseema University

SCHEDULE

DATE: 2nd April , 2019

10:00 AM to 10:45 AM : Inauguration

10:45 AM to 11:00 AM : Tea Break

11 AM to 11:30 AM : Keynote Address

11:30 AM to 12:30 PM : Session 1

12.30 PM to 02:00 PM : Lunch Break

02:00 PM to 03:15 PM : Session 2

03:15 PM to 03:30 PM : Tea Break

03:30 PM to 04:30 PM : Session 3

DATE: 3rd April , 2019

09:45 AM to 11:00 AM : Session 1

11:00 AM to 11:15 AM : Tea Break

11:15 AM to 01 PM : Interaction session with the Delegates of Lincoln University, Malaysia.

01:00 PM to 02:30 PM : Lunch Break

02:30 PM to 03:30 PM : Valedictory

REGISTRATION FEE RS.1000/-

Workshop on Role of Statistics in Data Science

2 & 3 April, 2019

Report

Department of Computer Science and Engineering, University College of Engineering, AdikaviNannaya University, Rajahmahendravaram organized a Two-Day Workshop on “*Role of Statistics in Data Science*” on 2nd and 3rd April, 2019.

The workshop was inaugurated amid an enthusiastic gathering of students, researchers and scholars. Dr. M. Kamala Kumari, Associate Professor in Department of Computer Science and Engineering, Principal In-charge, University College of Engineering, President of the program stated that the workshop will be an opportunity for fruitful exchange of knowledge. The workshop will help in generating thoughts of research among participants.

Prof. P. Suresh Varma, Rector and Convener of the workshop in his opening message expressed that the program is intended to nurture the spirit of research among the participants and help them to pursue research in inter-disciplinary arenas of Statistics and Computer Science Engineering. He expressed that Prof. A.V. Prasada Rao, Hon'ble Vice Chancellor of the University, has conveyed his best wishes and hoped that the program will be academically fruitful.

Prof. S. Teki, Registrar, Adikavi Nannaya University shared his views on the multiple opportunities that the knowledge of Statistics can open up for Computer Science scholars. Prof. C.R. Rao, University of Hyderabad, Chief Guest of the Inaugural function, in his message outlined the importance of the knowledge of statistics – which has multiple applications across many subjects.

Prof. Rajeev Wanker, University of Hyderabad, Special Invitee of the workshop expressed that such workshops will helping in initiating research in young minds of the participants. Dr.

Salman Abdul Moiz, University of Hyderabad stated in his message that statistics has universal applications and the Society for Development of Statistics can help in popularizing the field.

On the second day of the Workshop, 3rd April, 2019, Prof. B. Muniswamy, Andhra University, Visakhapatnam headed the session. In his talk, he explained the multitude applications of statistics in Data Science. In his address, he commended the department for taking the initiative to organise the workshop which will act as a platform for exchange of knowledge.

In the afternoon session, the participants of the workshop and the faculty of Adikavi Nannaya University interacted with the delegates from Lincoln University, Malaysia. The participants and faculty were informed of the myriad of academic opportunities that the field of data science holds.

The delegates of the Lincoln University in collaboration with the Adikavi Nannaya University are to organize an ***International Conference on Technical Innovation and Data Sciences (ICTIDS)*** on 11th & 12th October 2019 in Kuala Lumpur, Malaysia. The brochure for the International Conference was inaugurated by the Hon'ble Vice Chancellor, Prof. A.V. Prasada Rao, the Registrar, Prof. S. Teki and Prof. P.Suresh Varma Rector, Adikavi Nannaya University along with Lincoln University delegates.

The Hon'ble Vice Chancellor, A.V. Prasada Rao interacted with the participants of the workshop and motivated to participate in different workshops organised by the University and also encouraged to participate in the International Conference going to be held at Malaysia.

The program was concluded with appreciation from Hon'ble Vice Chancellor to the Department of Computer Science and Engineering and commended the Principal and HOD for making this two day Workshop a grand success. The programme was finally closed with the National Anthem.
