UNIVERSITY COLLEGE OF ENGINEERING
RAJAMAHENDRAVARAM**

Digital Forensics

University College of Engineering, Adikavi Nannaya University, Rajamahendravaram in collaboration with Computer Society of India (CSI) organised a One day Seminar on Digital Forensics on 29 July 2019.

The resource person Dr. P. Emmanuel Shubhakar, HOD, CSE, Malviya NIT, Jaipur, Rajasthan, introduced the potential of Digital Forensics as a career path for students of CSE. He elucidated the definition of Digital Forensics. He expounded on the various types and tools of Digital Forensics. He also explained the tools and methods used in Mobile Forensics. He assured that Digital forensics is a promising arena for students.

Dr. V. Persis, Principal, University College of Engineering, Adikavi Nannaya University stated that such seminars help invigorate the academic zeal among the students.

Dr. P. Venkateswara Rao, HoD, CSE stated that students benefitted from the event and regular seminars are a part of academic endeavours of the College.
