Sub: - ANUR – LS- VI Semester - UG Courses (except in B. Com and BBA) - Fixation of the Minimum Strength for choosing Cluster Elective (Paper VIII)– Orders Issued

- Ref: 1. Guidelines of the AP state Council of Higher Education CBCS System for UG Courses w.e.f.the academic year 2015-16
2. Note orders of the Vice-Chancellor dated: 07.01.2018
3. Draft Proceedings of the Vice-Chancellor dated: 08.01.2018

ORDER:

With reference to the above, the Vice-Chancellor is pleased to ordered that the request of the principals of affiliated colleges and as per the following CBCS Guidelines, a minimum of five students be fixed to offer a particular **cluster paper** for UG Courses (except B. Com and BBA).

CBCS Guidelines:

1. Papers VII and VIII will be Electives for any domain subject and both the papers will be offered in the same VI Semester of the final year (except in B.Com and BBA)
2. At Paper -VII, a student will pursue three Electives respectively belonging to the three domain subjects. For example, an MPC student will study one each Elective from Mathematics, Physics and Chemistry as individual Elective paper VII. He/she will choose from the multiple individual Electives offered for each subject
3. Whereas, as Paper -VIII, the student will study all the three papers as a cluster from the same subject (one of the three subjects). These three papers will cover a wide stream and will give a wider learning experience to the students. For example, as Paper -VIII, an MPC student will pursue all the three papers belonging to Physics (VIII-A-1,2&3 or VIII-B-1,2&3 or....) from out of alternate Clusters of Electives of Physics and will not study Mathematics and Chemistry. Each Cluster Elective will have 3 papers or 2 papers and one project.
