Sub: Setting up of Student Counseling System-reg.
Ref: APSCHE letter, dt. 13.08.18

Sir/Madam,

As per the directions of the Honorable Vice-Chancellor & APSCHE, the Principals/ Special officers of the University campuses and Principals of Affiliated Colleges are requested to take necessary steps to set up a 'Student counseling system' to redress various student issues such as anxiety, stress, fear of failure, home sickness etc..

It is suggested that for every 25 college students a teacher counselor be appointed to bridge the communicative and formal gaps among the students if any and also to develop positive attitude to build confidence among students. The student counseling system should take periodical counseling sessions involving parents and other stake holders of the institution for the betterment of the student wellbeing in the institution. The system may use the services of trained psychologist as when required

Steps need to be taken

1. Constitution of Student Counseling system
2. Details of Student Counselors
3. Details of Counseling sessions carried out
4. Stress remedial measures taken

You are requested to initiate action in the matter immediately and send compliance report at the earliest to the undersigned by mail.

Thanking you

Yours Sincerely,

(Dr.N.UDAYA BHASKAR)
