Dear Prof. Ved Prakash:

India observes February 28 as National Science Day. Department of Science & Technology (DST) has been selecting themes for observing National Science Day. The theme selected for the National Science Day 2017 is **"Science and Technology for specially abled persons"**.

National Science Day (NSD) offers an opportunity for focusing on a common issue and consolidate our actions. Many institutions organize a series of activities on the focal theme over weeks long periods beginning with or culminating on the National Science Day. DST provides state S&T department/councils /UTs a grant for observing National Science Day. The activities could include – 'Open Day' for the public, science exhibitions, popular science lectures, films and slide shows on scientific topics, bringing out books, special supplements in newspapers and dedicated programmes in the electronic media, seminars and symposia, special meetings and functions, competitions for students of colleges and universities, activities for the families of your scientists and other employees, creative involvement of officers and staff from administrative and finance wings of the institutions etc.

May I request you to kindly observe NSD in an appropriate manner by your organization on the theme **"Science and Technology for specially abled persons"**. For any clarification and assistance, you may please contact Dr. Bhanu Pratap Singh, Head-NCSTC Division, (Tel No. 011-26590 302, Telefax 011-26521 865, email : bpratap@nic.in)
