## **Introduction**

**Theme for the National Science Day (NSD) 2021 is**

**"Future of STI: Impacts on Education, Skills and Work"**

### **National Science Day (NSD)**

We observe National Science Day in India on **28th February** every year to commemorate the important contribution of science, scientists and scientific progressions in our life. If we describe 'Science' shortly, then it would be, the systematic knowledge based on experimental observations for an investigation, which is derived from the Latin word. The world-famous scientist once said – Science is blind without religion and religion is handicapped without science. Yes, it is absolutely correct and we must say the whole world is tied with the strong rope of science. As we know nowadays science and applied science developing gradually & it is helping us to lead our life much better and easier. So, we can't avoid science at all. It is a very important day to recall all the memory which science has given to us. Definitely, I will say that we must know about this Indian National Science Day.

### **HISTORY OF NATIONAL SCIENCE DAY**

The most eminent and outstanding Indian scientist Sir Chandrasekhar Venkat Raman (famously known as CV Raman) established his experimental thesis known as 'Raman Effect', which he declared officially on 28th February in 1928.

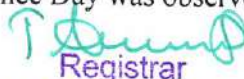

He did a great discovery and globally became known for this contribution. Due to his discovery of the Raman Effect, he was honoured and awarded,

- The world-famous 'Nobel Prize' in 1930 in physics and he was the first Asian to receive this award in physics.
- Respectfully awarded with the 1st 'Bharat Ratna' award in 1954.
- And was also greatly honoured with the greatest award of Russia 'Lenin Peace' in the year 1956.

The National Council for Science & Technology Communication made a proposal to our central government to observe National Science Day every year on 28th February to commemorate CV Raman's great historic discovery Raman Effect.

Thereafter our government agreed to their declaration in 1986 and announced to celebrate National Science Day according to NCSTC's proposal date.

Then in 1987 on February 28 the first National Science Day was observed countrywide.

## Objective and Purpose of the Celebrating this day

The main objective of this National Science Day is to aware people of our country about science. Add to this, it inspires children or students to choose science as their career.

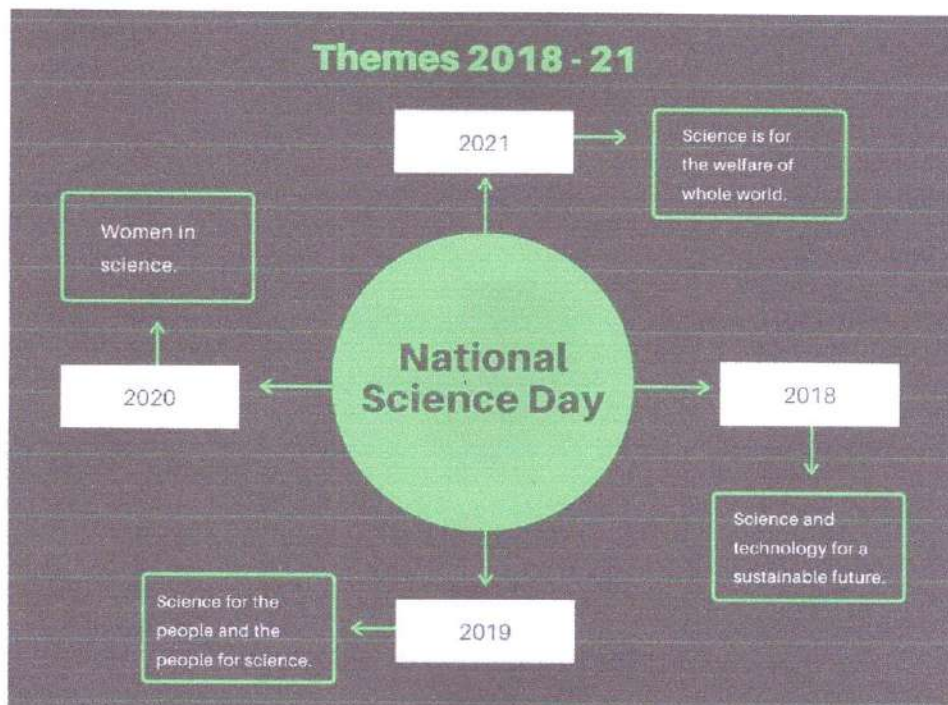

We can't ignore them as they are our future to lead our nation in a progressive way. Many science-related programmes are organized to attract and inspire the thirsty students. Likewise, our future generations by their extraordinary efforts achieve glorious success in the field of science and then yes, it will be our nation's pride.

The celebration purpose is to support and inspire new innovations of innovative scientists or students.

The important aim of this celebration also is to make known publicly about the importance of science and scientific achievement of the whole world.

## THEMES OF THIS DAY

Yes, we know that you are interested in searching for the different themes of different national and international events. That's why here also we have added the themes for this day. Here in the below infographic, you can find the recent year as well as the previous years theme.

  
Registrar  
Adikavi Nannaya University

E.G.Dt., A.P., India

The theme of the year 1999 was "Our Changing Earth".  
The theme of the year 2000 was "Recreating Interest in Basic Science".  
The theme of the year 2001 was "Information Technology for Science Education".  
The theme of the year 2002 was "Wealth from Waste".  
The theme of the year 2003 was "50 years of DNA & 25 years of IVF – The Blue print of Life".  
The theme of the year 2004 was "Encouraging Scientific Awareness in Community".  
The theme of the year 2005 was "Celebrating Physics".  
The theme of the year 2006 was "Nurture Nature for our future".  
The theme of the year 2007 was "More Crop Per Drop".  
The theme of the year 2008 was "Understanding the Planet Earth".  
The theme of the year 2009 was "Expanding Horizons of Science".  
The theme of the year 2010 was "Gender Equity, Science & Technology for Sustainable Development".  
The theme of the year 2011 was "Chemistry in Daily Life".  
The theme of the year 2012 was "Clean Energy Options and Nuclear Safety".  
The theme of the year 2013 was "Genetically Modified Crops and Food Security".  
The theme of the year 2014 was "Fostering Scientific Temper".  
The theme of the year 2015 was "Science for Nation Building".  
The theme of the year 2016 was on "Scientific Issues for Development of the Nation".  
The theme of the year 2017 was "Science and Technology for Specially Abled Persons".  
The theme of the year 2018 was "Science and Technology for a sustainable future."  
The theme of the year 2019 is "Science for the People, and the People for Science".  
The theme of the year 2020 is "Women in Science."  
The theme of the year 2021 is "**Future of STI: Impacts on Education, Skills and Work**".

## Brief Bio-data of Chief Guest

**Prof. Mokka Jagannadha Rao** M.Sc. (Tech), MS (USA), Ph.D., SME (USA)

- Prof. Mokka Jagannadha Rao, Hon'ble Vice – Chancellor of Adikavi Nannaya University, Rajamahendravaram has done his education both in India and abroad. He got his Master's degree in Engineering from University of Alaska, USA. He got his Ph.D. from Andhra University, Visakhapatnam, in the year 1985. He joined as Assistant professor in the Department of geology, Andhra University in 1986 and later promoted to Professor and head of the department from the same dept.
- He is a serious researcher and academician having more than 33 years of experience in both teaching and research. He has published nearly 150 papers in National and International Journals.
- 33 scholars got awarded Ph.D.'s under his guidance. His students are not only from geology but also from Computer Science, Geo Engineering, Geo Physics and Allied Physics.
- He has strong research Collaboration with various organisations from USA, Canada and Australia. He has completed 8 funded projects, from leading funding agencies of this Country, including DST, UGC, CSIR, DOD, APMDC-DMRTUF, MoES, ISRO and ONGC.
- He got huge consultancy projects from ONGC, namely:

E.G.Dt., A.P., India

1. Studies on Holocene Evolution of Mahanadi Delta,
  2. Studies on Land Subsidence due to Hydrocarbon exploration and exploitation at KG-PG Basin, AP using Remote Sensing and Field studies.
- He has a vast experience in administration. He held various administrative positions:
1. Director for Information Management Centre, Andhra University, Visakhapatnam, AP
  2. Dean for PG & Professional Examinations, Andhra University, AP
  3. Director for International Students Affairs- Andhra University
  4. Director for Delta studies Institute- Andhra University
  5. Chairman for Board of Studies, Dept. of Geosciences, Ambedkar University, Srikakulam, AP
  6. Head of the Department, Dept. of Geology, Andhra University and many others.
- He has filed a patent entitled “An Inventive Model that explains the Genesis of Bay of Bengal and Arabian Sea”, which is under consideration.
- He got many awards and honours including “**Dr Sarvepalli Radhakrishnan Award**”, “The Best academician award of the year 2019”, by Andhra University.
- Awarded “**Scientist of the year 2017**”, by National Environmental Science Academy (NESA), New Delhi.
- He was in Editorial board of Indian Journal of Environment and Eco planning
- He is the member of various professional scientific bodies of National and International repute.
- He is the NAAC accessor and many more...
- He is a member in various boards of Selection Committees at National and State level.
- His earlier selections include UPSC Civil Services-Group B service-UPSC Exam in 1985, UPSC Geologists examination, all India 11<sup>th</sup> rank in 1983. Because of his passion for teaching, he is in teaching life.
- His Vision is to see that Adikavi Nannaya University should be the International Institute of Choice for education, Research, training and consultancy.

## ***Brief Bio-data of Virtual Guest of Honor***

*I can teach, motivate, guide research (across different disciplines) in organic chemistry, Pharma chemistry and applied microbiology, natural resource utilisation, environmental sciences.*

M.Bapuji

DOB: 3 Jan 1948

Ph.no.7411969654(whatsapp)

Mail id [bapujim@gmail.com](mailto:bapujim@gmail.com)

Address: flat 114, maple heights, Saket Road, Secunderabad, 500062, TS

### Academic Qualifications:

M.Sc.1<sup>st</sup> class 1966-68, Andhra University, Visakhapatnam;

PhD Andhra univ 1973, mentor:Prof.LRRow

Post doc as German Academic Exchange (DAAD) fellow 1979-80, Technical University Berlin, (als mit arbeiter von)Prof.Ferdinand Bohlmann, an extraordinary Natural product chemist.

German Language - Mittel stufe I , Goethe Inst, Staufen im Breisgau, Germany

3 year Diploma in Russian Language, Utkal Univ

### Employment:

**Scientist**,(30 years) at Regional Research Laboratory (now renamedImmt), Bhubaneswar, Orissa. The lab is one of CSIR Labs under the Ministry of Science and Technology, Govt of India, 1973-2002

**Director Post Graduate courses**, DLR college, G.Mamidada 2002-7

Visiting professor Acharya college of pharmacy, Bangalore 2011-18

### Short term advisory assignments

Senior academic consultant, Adikavi Nannaya university (State Univ)

Research adviser..Nagarjuna Agri chem (pesticide industry), Srikakulam

Research adviser FRLHT Bangalore now deemed university TDU. Ayurveda univ.

## OUT PUT

### **Patents : six**

Technologies transferred to Industry: six. Caused thereby Stopping imports of anthranilate group of chemicals. Transferred a steroid drug intermediate, 16-DPA technology to a French MNC.

### **Publications: 70**

Ph.Ds guided : six (cross disciplinary- one in phytochemistry; two in pharmaceutical chemistry; two in marine applied microbiology; one in antifouling). Recognised guide and adjudicator for Ph.D, M.Phil and M.Sc. dissertations for Jadavpur univ, Kolkata Univ; Utkal Univ; OUAT; Andhra Univ; Nagarjuna Univ and IIT-Guwahati.

### **Cross disciplinary work:**

**This aspect is very important and often missing in our academic world.**

As the Principal Investigator for 12 years, of the National project “Drugs from Sea” funded by the Dept of Ocean development (Now Earth sciences), GOI, I worked with teams of different specialisations: There had never been any misunderstanding.Discovered an 80 km long ridge reef off Orissa coast at 110feet depth. Reported 140 sedentary organisms for the first time from Orissa thus rewriting marine sedentary biology of Orissa coast. The geophysicists from National Inst of Oceanography, Regional centre, VSKP carried out the sea bottom exploration, radiodating etc.

Indian Navy provided its diving team thru out the period and we helped them improve their skills, facilities and appreciate the work they are involved in. Central marine Fisheries Research Inst scientists Dr.Gopinadh Pillai and Dr.P.A.Thomas are internationally known experts in taxonomy of corals, sponges etc. We learnt from them to respect marine sedentary ecology and both came up with good research publications. We collaborated with Central Inland Fisheries Research Institute studying utilisation of marine and mangrove living resources in fish disease control. Several Ph.Ds and M.Sc. dissertations were done together. We could come up with extracts that were active against all the six common microbial pathogens of fresh water fish. One of the publications had more than a thousand views!

Carried out the first culture of a bacterium associated with a marine sponge on 25 Lit/batch scale at Institute of microbial technology, Chandigarh. That collaboration lead a student publish papers in prestigious American J of Biotechnology and such. The student

Registrar

Adikavi Nannaya University

RAJAMAHENDRAVARAM-533 296.

E.G.Dt., A.P., India

received Ph.D in biotechnology . Th student studied industrially, biomedically useful enzymes.

One student received Ph.D for his work at National Inst of Oceanography, Goa under Dr.Wagh on “antifouling properties of marine sedentary metabolites”..against micro and macrofoulers. NMRL (DRDO) invited me based on those publications seeking advice.

**Miscellaneous cross disciplinary work:**

Worked voluntarily for seven years while being a visiting professor at Acharya Institutes, all over Karnataka, in the rural areas on mitigation of Fluorosis. With this background I hope to be of much use in Rajasthan.I was a resource person for INREM, Gujarat, District collector-Nalgonda etc. Helped Kolar Medical college and North Orissa University with the research work on fluorosis.\_Worked with pathology dept of Cuttack medical college in the diagnosis of sarcoma by analysing vanillyl mandelic acid in the urine.\_Assisted Forensic science dept on several occasions in solving chemistry related problems.\_Worked with Prof.Bohlmann on chemotaxonomy – solving chemistry to solve taxonomic problems of plants (Asteraceae).\_Worked with Jan Vigyan Jatra (Peoples science movement); ITDA in popularising science among rural and tribal children.

## Events winners and runners Names

### PPT& Documentary Conducted by Department of Mathematics

Date: 23-02-2021

Venue: Science Block

No. of students Participated: 05+02

#### PPT

1<sup>st</sup> Prize S.Veeresh ( I M.Sc Applied Mathematics)

2<sup>nd</sup> Prize Sk. Munnisha( II M.Sc Botany)

#### Documentary

1<sup>st</sup> Prize S.Veeresh ( I M.Sc Applied Mathematics)

2<sup>nd</sup> Prize M.Sai Ram( I M.Sc Analytical Chemistry)

### Poster presentation Conducted by Department of Life sciences

Date: 25-02-2021

Venue: Science Block

No. of students Participated: 28

1<sup>st</sup> Prize S.Veeresh ( I M.Sc Applied Mathematics)

2<sup>nd</sup> Prize K.B.S.Teja & V.B.S.Teja ( II M.Sc Aquaculture)

3<sup>rd</sup> Prize B. Pavan Durga Rao ( II M.Sc organic chemistry)

### Essay Writing Conducted by Department of Geology

Date: 25-02-2021

Venue: Science Block

No. of students Participated: 28

1<sup>st</sup> Prize P. Hema Durga Jyothi( II M.Sc Physics)

2<sup>nd</sup> Prize A.Prasuna ( II M.Sc Physics)

3<sup>rd</sup> Prize K.Syam Kumar ( I M.A Political Science)

### Elocution Conducted by Department of Geology

Date: 25-02-2021

Venue: Science Block

No. of students Participated: 15

#### Telugu

1<sup>st</sup> Prize P.Hema Durga Jyothi ( II M.Sc Physics)

2<sup>nd</sup> Prize S.Pavan kumar( M.Sc Applied Mathematics)

& T.TArun sai (M.Sc Botany)

#### English

1<sup>st</sup> Prize E.Alesha ( M.A Psychology)

2<sup>nd</sup> Prize Ch.Kiran sai gowd ( M.Sc chemistry)

QUIZ Conducted by Department of Physics and Botany

Date : 23-02-2021

Venue: Science Block, Room No:215

No. of students Participated: 112

1<sup>st</sup> Prize

1. B.Pavan Durga Rao ( I M.Sc Organic Chemistry)
2. B.Durga Ram Prasad ( I M.Sc Organic Chemistry)
3. Y.S.S.Sai Rama Krishna( I M.Sc Organic Chemistry)
4. K.Chandra Pavan( II M.Sc Applied Mathematics)
5. T.Tarunu Sai Teja( I M.Sc Botany)
6. S.S.P.K.Vamsi( I M.Sc Biotechnology)
7. V.Priyanka( I M.A Social Work)
8. P.Hema Durga Jyothi( II M.Sc Physics)
9. A.Prasuna( II M.Sc Physics)
10. S.Sravani( I M.Sc Pure Mathematics)
11. T.Bharathi Devi(I M.Sc Geo Physics)

2<sup>nd</sup> Prize

1. K.Ratna Sushana( II M.A English)
2. G. Venkateswari( I M.Sc Physics)
3. A.Pravallika( II M.Sc Aquaculture)
4. G.Renuka Devi( II M.Sc Botany)
5. Ch.Revathi Sunanda( II M.sc Botany)
6. U.Naveen( I M.Sc Applied Mathematics)
7. D.Geetha Sai Krishna( I M.Sc Botany)
8. M.Pavan Kalyan( II M.Sc Organic Chemistry)
9. K.Rambabu( II M.Sc Analytical Chemistry)
10. P.Mohan Kumar( II M.Sc Analytical Chemistry)
11. P.Naveen( I M.Sc Geophysics)

3<sup>rd</sup> Prize

1. S.Pavan Kumar( II M.Sc Applied Mathematics)
2. V.Suri babu( I M.A Social work)
3. I.C.P.Kumar( I M.Sc Geophysics)
4. P.Venkatesh( II M.Sc Aquaculture)
5. P.Bhavani(I M.Sc Physics)
6. E.Sai Sravani( I M.Sc Applied Mathematics)
7. K.Renuka(I M.Sc Biochemistry)
8. B.Divya( II M.Sc Organic Chemistry)
9. G.Tejaswini( II M.Sc Organic Chemistry)
10. R.Lalitha Siva Jyothi( II M.Sc Organic Chemistry)
11. D.Likhitha( I M.Sc Botany)

### Ambedkar Jayanti Celebration, 2021

Following the direction of the Department of Higher Education, Andhra Pradesh, Adikavi Nannaya University celebrated Dr. B. R. Ambedkar's 130<sup>th</sup> birthday for a week from 7<sup>th</sup> April to 14<sup>th</sup> April. A brief biography of Dr. B. R. Ambedkar was read out in every classroom on April 7<sup>th</sup> to motivate students to pursue their dreams. A movie on the life of Dr. B. R. Ambedkar was screened on April 7<sup>th</sup>, 2021 at 2 pm in Convention Centre. March Past and Ambedkar run were organized on April 8<sup>th</sup> at 7 am. Competitions such as essay writing, elocution, quiz, singing were conducted at University College level on April 9<sup>th</sup>. Competitions in sports which included cricket, badminton, athletics were conducted by the Department of Physical Education on 10<sup>th</sup> April. Dr. Ambedkar Green Drive, a plantation programme was also organized on April 11<sup>th</sup>. A seminar on "Empowering Underprivileged in the context of NEP 2020" was organized on Kakinada campus of Adikavi Nannaya University on 12<sup>th</sup> April. The convener of the seminar was Dr. M. Kamala Kumari, Special Officer. A webinar on "Dr. B. R. Ambedkar's Ideology and its Impact on Upliftment of the Underprivileged" was organized by Prof. K. S. Ramesh, Special Officer, Tadeppalligudam Campus on 13<sup>th</sup> April.

On April 14<sup>th</sup> 2021, Ambedkar Jayanthi was celebrated at Convention Centre. The honourable Vice-Chancellor, Prof. Mokka Jagannadha Rao, the Chief Guest of the programme addressed the gathering and spoke about the need to bring social changes in the society in which people can live their lives without facing discrimination. Sri Bhavana Papa Rao, Area Manager, ONGC and Sri P. Pavan Prasad, the distinguished guests, urged the students and faculty to draw inspiration from the life of Dr. B. R. Ambedkar.

The week-long celebration was coordinated by faculty in various departments in the University. Winners in the competitions were awarded prizes on April 14<sup>th</sup>.

## International Women's Day Celebration, 2021

Women Empowerment, Development and Grievance Cell organized International Women's Day Celebration on March 8<sup>th</sup>, 2021 at Convention Centre. The honourable Vice-Chancellor, Prof. Mokka Jagannadha Rao was the Chief Guest of the programme. He spoke about the need to change the mindset of the people in the society and motivated girls and women to pursue their goals. Smt. K. Latha Madhuri, Additional Superintendent of Police, Dr. D. Padmaja and Advocate V. Uma Maheswari shared their views on the oppression of women in the society and the need to self motivate and come up in life. A few students spoke about women empowerment on the occasion.

In connection with International Women's Day Celebration, competitions were organized for girl students, woman scholars, woman faculty and woman staff. On February 26<sup>th</sup> and 27<sup>th</sup>, elocution (Telugu and English), singing (solo & group), dance (solo & group) and poster presentation were organized for students and scholars.

The coordinators were Smt. K. Raja Rajeswari, Assistant Professor in the Dept. of Education, Dr. Ch. Bhavani, Assistant Professor in the Dept. of Psychology, and Dr. L. Sujatha, Assistant Professor in the Dept. of Mathematics. Dr. A.S. Padmavalli, Assistant Professor in the Department of Commerce and Management, Dr. K. Sudha Rani, Assistant Professor in the Department of Geology, Ms. D. Vidya Srivani, Assistant Professor in the University College of Engineering and Ms. Ch. Harini, Assistant Professor in the University College of Engineering. Girl Students, women faculty and staff participated in the competitions and bagged prizes.

**About Srinivasa Iyengar Ramanujan:**

December 22<sup>nd</sup>, the birth anniversary of India's formed Mathematician Srinivasa Iyengar Ramanujan, is celebrated as National Mathematics day.

Ramanujan was born in 1887 in Erode, Tamilnadu (then Madras Residency) in an Iyengar Brahmin family. At age 12, despite lacking a formal education, he had excelled at trigonometry and developed many theorems by himself. After finishing secondary school in 1904, Ramanujan became eligible for a scholarship to study at the government arts college, Kumbakonam, but could not secure the same since he did not do well in other subjects.

At 14, Ramanujan ran away from home and enrolled at Panchaiyappa's college in Madras, where too he would only excel in Mathematics without managing to wade through remaining subjects and was unable to graduate with a fellow of Arts degree. Living in poverty, Ramanujan then pursued independent research in Mathematics. Ramanujan was soon noticed in Chennai's mathematics circles. In 1912, Ramaswamy Iyer, founder of the Indian Mathematical Society, helped him to get a clerk position at the Madras port trust. Ramanujan then began sending his work to British mathematicians. His breakthrough arrived in 1913, when the

Registrar

Adikavi Nannaya University

RAJAMAHENDRAVARAM-533 296.

E.G.Dt., A.P., India

Cambridge-based GH Hardy wrote back. Impressed with Ramanujan's theorems and work related to infinite series, Hardy called him to London.

In 1914, Ramanujan arrived in Britain, where Hardy got him into Trinity college, Cambridge. In 1917, Ramanujan was elected to be a member of the London Mathematical Society. In 1918, he also became a fellow of the Royal Society, becoming one of the youngest to achieve the feat.

His success in England notwithstanding, Ramanujan could not get accustomed to the country's diet and returned to India in 1919. Ramanujan's health continued to deteriorate and he died in 1920 at the age of 32.

An exhibit on the Royal Society website says the Mathematician, "The loss of Ramanujan at such a young age was certainly a blow to the scientific community, who were left imagining what he might have gone onto achieve"

### **Contributions to Mathematics and legacy:**

Ramanujan's genius has been regarded by mathematicians to be at par with Euler and Jacobi from the 18<sup>th</sup> and 19<sup>th</sup> centuries respectively.

His work in the Number theory is especially regarded and he made advances in the partition function. Ramanujan was recognised for his mastery of continued fractions and had worked out the Riemann series, elliptic integrals, hypergeometric series and the functional equations of the Zeta function.

After his death, Ramanujan left behind three note books and some pages containing unpublished results, on which mathematicians contributed to work on for many years.

The Dev Patel starrer "The Man who knew Infinity" 2015 was a biopic on the Mathematician. In 2012, former Prime Minister Man Mohan Singh declared December 22<sup>nd</sup> as National Mathematics Day.

### **About the Webinar: *Differential Geometry for Machine Learning:***

Differential Geometry is a mathematical discipline that uses the techniques of Differential Calculus, Integral Calculus, Linear Algebra and multi linear algebra to study problems in Geometry.

It is all about constructing things which are independent of the representation. It gives us a way to construct natural objects i.e., ones which are intrinsic to the manifold itself.

Differential geometry is also indispensable in the study of gravitational Lensing and black holes.

In Economics, differential geometry has applications to the field of econometrics.

RAJAMAHENDRAVARAM-533 296.  
E.G.Dt., A.P., India

Differential geometry gives us a way to construct *natural* objects, i.e. ones which are intrinsic to the manifold itself. Naturality has a precise meaning in category theory, but effectively it means that they transform in the "right way" when you map them from one space to another. The most important case for us is when the transformation is a change of coordinates. If you compute an object (e.g. a weight update) in some coordinate chart A, and then transform it to another chart B, you get the same result as if you had computed it in B originally. In general, one can often verify naturality on a case-by-case basis, by crunching through tedious change-of-basis formulas. In fact, this is what is done to check some of the basic objects in differential geometry. But this is tedious, and it doesn't suggest how one would come up with the natural objects in the first place.

### **Lattice Theory:**

A Lattice is an abstract structure studied in the mathematical sub disciplines of order theory and abstract algebra.

One of the most important practical applications and also one of the oldest applications of modern algebra, especially lattice theory, is the use of Boolean algebras in modeling and simplifying switching or relay circuits.

## Constitution Day Celebrations at Adikavi Nannaya University

**ADIKAVI NANNAYA UNIVERSITY**  
RAJAMAHENDRAVARAM - 533296  
**NATIONAL SERVICE SCHEME**

**Constitution - Day**  
**Nov 26th**

**Fundamental Duties**

- 1) To abide by the constitution and respect ideals and institutions.
- 2) To uphold and protect the sovereignty, unity and integrity.
- 3) To defend the country and render National service.
- 4) To value and preserve the rich heritage of the country.
- 5) To protect and improve Natural environment.
- 6) To develop scientific temper, humanism and the spirit of inquiry and reform.
- 7) To safeguard public property and to abjure violence.
- 8) To strive towards excellence in all spheres of individual and collective activity so the Nation rises to higher levels.
- 9) To provide opportunities for education to his child or ward between the age of six and fourteen years.

**Fundamental Rights**

- 1) Right to Equality
- 2) Right to Freedom
- 3) Right Against Exploitation
- 4) Right to Freedom of Religion
- 5) Right to Education and Culture
- 6) Right to Constitutional Remedies

Constitution Day is celebrated at Adikavi Nannaya University by NSS Cell. In the above, the Vice Chancellor Prof M Jagannadha Rao garlanding the statue of Dr BR Ambedkar at Central Library.

## **Introduction**

Advika is an annual event conducted by University College of Engineering, Adikavi Nannaya University with the intention to create a platform for students across the nation to showcase their skills and innovative ideas.

Every year, this fest is celebrated grandly with events and competitions organized by our engineering students. Advika 2019 saw 520 student participants from various colleges pan India. A total of 17 events were held. Advika 2019 was co-sponsored by ONGC and Krify Solutions Kakinada.

Due to CoVID Pandemic, it has been have decided, under the guidance of Hon'ble Vice Chancellor, to organize the event in a small scale limited to the Engineering students of our university.

On this occasion, one event titled Hayyak (which means ambition or hope) with the theme *Innovative and Creative Ideas to develop Adikavi Nannaya University* is planned for the students of University College of Engineering.

## **Objectives of the Program**

The principle objective of ADVIKA is to showcase innovative and creative ideas of the students in the frontiers of different fields of engineering. It is an annual tradition of the University College of Engineering to hold this intercollegiate function for the engineering colleges. Every year, a host of events are organized ranging from quizzes to cultural competitions that attract students from various colleges across India.

ADVIKA 2020 is organized on a small-scale keeping in mind the existing guidelines of Government for containing COVID 19. An online event *Hayyak* is organized and to further discourage the gathering of students, the event is recorded and telecast over the University YouTube Channel.

## **Organizers:**

## Organizer's Details

### Convener

**Dr G Venkata Rao**  
Asst Prof, Dept of S&H

Dr Guntur Venkata Rao has over 20 years of experience of teaching Mathematics at both PG and UG levels. He has obtained his doctorate from Kuppam University on *Some Studies on Fixed Point Theory* and MPhil from Madhurai Kamraj University.

He has the experience of organizing and coordinating workshops and seminars at National and International levels. He has published many papers in reputed journals and two textbooks on Engineering Mathematics. He has to his credit many paper presentations in acclaimed conferences and seminars at national and international level. His areas of expertise is Fixed Point Theorem

He currently works as an Assistant Professor, Department of Science and Humanities, University College of Engineering, Adikavi Nannaya University. He is the coordinator of RISE Student Club and an active member of College administration.

### President

**Dr V Persis**  
Principal UCE

Dr Persis Voola, Associate Professor, Department of CSE, University College of Engineering joined Adikavi Nannaya University in 2008. She obtained her doctorate from Acharya Nagarjuna University in Computer Science and Engineering in 2015. She has since then taken up many administrative positions including Head of the Department of CSE, Hon. Director of Examinations, UG Courses. She currently heads the University College of Engineering as Principal. She is also the coordinator for Unnat Bharat Abhiyan and ISO Core committee member.

She organised workshops and seminars on various pertinent topics of Computer Science and Engineering. Her interests include: Blockchain Technology, AI and IoT.

**Chief Guest**

**Prof M Jagannadha Rao**

**Hon'ble Vice Chancellor, Adikavi Nannaya University**

Prof. Mokka Jagannadha Rao has done his education both in India and Aboard. He got his Master's degree in Engineering from University of Alaska, USA. He got his Ph.D. from Andhra University, Visakhapatnam, in the year 1985. He joined as Assistant professor in the Department of Geology, Andhra University in 1986 and later promoted to Professor and head of the department from the same

department/ He is a serious researcher and academician having more than 33 years of experience in both teaching and research. He has published nearly 150 papers in National and International Journals. 33 scholars got awarded their PhDs under his guidance. His students are not only from geology but also from Computer Science, Geo Engineering, Geo Physics and Allied Physics.

He has strong research Collaboration with various organisations from USA, Canada and Australia. He has completed 8 funded projects, from leading funding agencies of this Country, including DST, UGC, CSIR, DOD, APMDC-DMRTUF, MoES, ISRO and ONGC. He got huge consultancy projects from ONGC namely:

1. Studies on Holocene Evolution of Mahanadi Delta,
2. Studies on Land Subsidence due to Hydrocarbon exploration and exploitation at KG-PG Basin, A Pulsing Remote Sensing and Field studies.

He has a vast experience in administration. He held various administrative positions:

1. Director for Information Management Centre, Andhra University
2. Dean for PG& Professional Examinations, Andhra University
3. Director for International Students Affairs-Andhra University
4. Director for Delta studies Institute-Andhra University
5. Chairman for Board of Studies, Dept. of Geosciences, Ambedkar University, Srikakulam, AP

### ABOUT UNIVERSITY

Adikavi Nannaya University was established in the year 2006 by the Government of Andhra Pradesh to promote Higher Education in the Godavari Region. Under the esteemed guidance of Prof. M. Jagannadha Rao, Hon'ble Vice Chancellor, the University is presently progressing to imprint a mark of excellence. The University has 486 affiliated Colleges at UG and PG levels. At present, AKNU has four campus colleges, Engineering, Arts & Commerce, Science and Technology. The University also has two PG Centres at Kakimada and Tadepalligudem. The University is poised towards academic and research excellence for the students of East and West Godavari.

#### University College of Engineering

University College of Engineering has been offering courses since 2016. UCE, at present, offers PG programs, MCA, MTech (CST) and MTech (CST with BDA). The College also offers six UG programs, BTech (CSE, ECE, EIE, INF, Mech and Civil). UCE also offers PhD programs in Computer Science and Engineering.

The College excels with a potential of excellent faculty involved in diverse research areas. The objective of the College is to nurture students to achieve excellence in various fields of the technology and to be within the vicinity of industry demands combined with research-oriented perspectives.

Students are progressively exposed to a gamut of subjects from core subjects to advanced technologies which will make them competent in today's era in the field of Engineering.

### OBJECTIVE OF ADVIKA

An annual College Fest designed to ignite and nurture creativity among Engineering students. This fest aims to provide a platform for students to showcase their innovative ideas as well as attain knowledge and awareness on latest trends in areas of Computer Science, Instrumentation, Information Technology, Electronics Engineering, Mechanical and Civil Engineering. The fest is intended to instill new set of skills and zeal amongst the students.

ADVIKA 2020 is planned to align with Engineer's Day which celebrates Engineer's contribution to the development of nation.

ADVIKA 2020 is limited to University College of Engineering Students for the year 2020 due to prevailing pandemic.

### EVENT: HAYYAK

Submissions are invited for innovative and creative ideas to develop Adikavi Nannaya University. Students are encouraged to come up with novel ways in which we can enhance the academic and student services of the University.

Two such entries will be selected for presentation during the inauguration of ADVIKA and Engineer's Day Celebrations. The concepts should be realistic and fit for real-time application.

Participants should submit the video explaining the concept in detail in not more than 5 Minutes. Students can either participate in group (not exceeding 3 members) or individually.

Prize Money will be awarded to Two Winners of the event.

Theme: Innovative and Creative ideas to develop Adikavi Nannaya University.

Rules

1. The content and presentation of the idea should be in English.
2. Proper formal decorum must be followed throughout the video.
3. The video URL should be valid and accessible to the authorities for judgement.
4. Good quality in Audio and Video should be maintained.
5. Authentic details should be provided during the registration.

LAST DATE OF SUBMISSION: 13-09-2020

Note: The Event is open only to students of University College of Engineering, Adikavi Nannaya University.

ENGINEER'S DAY CELEBRATIONS 2020

### *Programme Schedule*

Seminar Hall, 15-09-2020, 10:00 AM

10:00 AM - 10:05 AM	Presentation on Engineer's Day
10:05 AM - 10:10 AM	Welcome Note & Inviting Dignitaries by Dr G Keerti Marita
10:10 AM - 10:15 AM	University Song
10:15 AM - 10:20 AM	President's Opening Remarks by Dr V Persis
10:20 AM - 10:25 AM	Convener's Report by Dr G Venkata Rao
10:25 AM - 10:45 AM	Address by Hon'ble Vice Chancellor, Prof. M Jagannadha Rao
10:45 AM - 10:50 AM	Announcement of Unlock the Lock Competition Winners by Mr. J Hanumanthu
10:50 AM - 11:00 AM	Presentation of Student Support Service App by Mr. M Gopichand, Mr. PBN Rahul & Mr. D Dasu
11:00 AM - 11:05 AM	Announcement & Presentation of Hayyak Event Winners by Dr. P Venkateswara Rao, HOD, CSE
11:05 AM - 11:10 AM	Felicitation to Hon'ble Vice Chancellor organized by Mr. N Rahul Pal
11:10 AM - 11:15 AM	Token of Appreciation to Dr B Srinivasa Raja & Dr K Nookaratnam, University Engineer
11:15 AM - 11:20 AM	Vote of Thanks by Ms. AM Sirisha

## Program Details

ADVIKA 2020 is organized by University College of Engineering at Seminar Hall, Administrative Block, Adikavi Nannaya University at 15-09-2020 at 10:00 AM following all the Government prescribed precautions for containing COVID 19.

The event was presided by Hon'ble Vice Chancellor Prof. M. Jagannadha Rao as the Chief Guest with Dr Persis Voola as President and Dr G Venkata Rao as Convener. Prof B Ganga Rao, Registrar and Dr P Venkateswara Rao, Head, Dept of CSE were also present.

The President remarked that the small-scale organization of the event is primarily to prevent dangerous levels of gathering of students hence it is limited to the students of University College of Engineering. She stated that ADVIKA 2020 is an annual tradition of University College of Engineering wherein Engineering students from all over India participate to showcase their skills and innovations.

Hon'ble Vice Chancellor Prof M Jagannadha Rao in his address stated that University encourages innovation from students and asked the faculty to enthuse the students with necessary zeal to think creatively.

Speaking on the occasion, the Convener of Advika 2020, Dr G Venkata Rao reported that one event *Hayyak* was conducted and attracted 30 submissions from the engineering students of the University. Three best submissions were selected and are awarded certificates with prize money of Rs 500/- each.

Furthermore, the Vice Chancellor and the President launched the AKNU Student Support Services Portal App that was developed by students Mr P Rahul and Mr Gopichand under the guidance of Mr D Dasu, Assistant Professor, Dept of CSE, UCE. Vice Chancellor commended the initiative and awarded the students with mementoes and prize money. He also appreciated the guidance provided by Mr D Dasu and asked the Principal to further such innovations for the development of the University.

## Convener's Report

Advika is an annual event conducted by University College of Engineering, Adikavi Nannaya University with the intention to create a platform for students across the nation to showcase their skills and innovative ideas.

Every year, this fest is celebrated grandly with events and competitions organized by our engineering students. Advika 2019 saw 520 student participants from various colleges pan India. A total of 17 events were held. Advika 2019 was co-sponsored by ONGC and Krify Solutions Kakinada.

Due to CoVID Pandemic, we have decided, under the guidance of Hon'ble Vice Chancellor, to organize the event in a small scale limited to the Engineering students of our university.

On this occasion, one event titled Hayyak (which means ambition or hope) with the theme Innovative and Creative Ideas to develop Adikavi Nannaya University is planned for the students of University College of Engineering. A total of 28 submissions in the form of videos were received for this event. The best two submissions of this event will be announced in today's celebrations.

In this year, under the guidance of Hon'ble Vice Chancellor Sir, we have created four Student Clubs – each representing a branch of Engineering.

1. RISE Club: Dept of S&H with myself as faculty coordinator
2. BIT Club: Dept. of CSE with Mr. N Rahul Pal as faculty coordinator
3. VECTOR Club: Dept. of ECE with Ms. Annie Keziah as faculty coordinator
4. Instrument Genie: Dept of EIE with Mr.J Hanumanthu as faculty coordinator

## **Student Support Services App Development**

Adikavi Nannaya University relies on quick communication between various departments and students. Hence, there is a necessity to develop an official portal for transfer of information. The development of such a channel is taken up by the Department of Computer Science and Engineering.

Mr D Dasu, Assistant Professor, Dept of CSE spearheaded the project with Mr PBN Rahul and Mr M Gopichand of III BTech CSE. An app for Android platform was developed and launched on the occasion of ADVIKA 2020 Engineer's Day Celebrations on 15-09-2020 by Hon'ble Vice Chancellor Prof M. Jagannadha Rao.

The developers informed the features of the App via a presentation. They ensured that:

- It is secure and is accessible to the students and staff of Adikavi Nannaya University only. This is ensured by verification of users by Head of the Department.
- The files in the app can be shared at different level i.e. Classroom, Departmental, Principal.
- Students can submit their queries, grievances and status about various amenities of the University through the App.
- The App will act as a formal and virtual notice board for the students to receive information from their respective Department, College and University.

The App will therefore provide a reliable way for communication within the different sections of the University.

Launching the SSS App, Hon'ble Vice Chancellor commended the readiness of Mr D Dasu and the students in taking up the initiative for the development of the University. He remarked that more such innovations should be presented by the Engineering students

Speaking on the occasion, Dr V Persis assured that University College of Engineering will always contribute to the development of the University in all manners possible.

As a token of appreciation, Mr PBN Rahul and Mr M Gopichand are awarded an amount of Rs 1000/- and a memento was awarded to Mr D Dasu along with a certificate of Appreciation to all the developers.

## Hayyak

The primary objective of the event is to foster innovative thinking amongst the Engineering Students. Therefore, an event was planned to ignite the youthful minds of the University students to contribute to the progress of the University.

*Hayyak* is a term with origins in Arabic and Persian which refers to professionalism, ambition and strength. The name is taken to indicate student's individual ambition and professional contribution for the development of the University.

The theme of the event is to propose "Novel ways in which Adikavi Nannaya University can be developed". These ideas must be feasible and innovative whilst being practical in nature. Students can participate in the event either as individuals or as teams (not exceeding three members).

The format of submission must be in Videos submitted via Google Forms. Three best ideas will be selected by a committee of judges whose decision will be final. Each submission will be awarded Rs.500/- as prize money.

The Winners of the event with the details of their proposed ideas are given below:

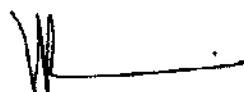

S.NO	TOPIC	NAME/S OF THE STUDENTS	POSITION
1	Trakdown	T Sri Hari Krishna (CSE)	I
2	Website development with Digital certificate locker	Venkata Lakshmi Y (IT), Alekya Polarathi (IT), Ruchitha dantuluri (IT)	II
3	Face recognition attendance system	B Divya Krishna (ECE), M Gayathri (ECE)	III

## ADVIKA-2K20: A National Level Tech Fest, 2020

### Report

University College of Engineering in organized "ADVIKA-2K20: A National Level Tech Fest" on 15<sup>th</sup> September, 2020. The objective of Tech-fest was to identify and encourage the creativity and skills of engineering students. It provided opportunities to students to prove their technical knowledge and exhibit there innovative ideas. Students from various universities and colleges across the state participated in the fest. During the pandemic period the fest was conducted online to facilitate the participation of the students. Students were invited to submit online their innovative and creative ideas. The best two submissions were selected for presentation during the inauguration of ADVIKA and Engineer's Day celebrations. The winners were given cash prize. Dr. G. Venkata Rao, Dept. of Science and Humanities, Mr. N. Rahulpal, Mr. J. Hanumanthu and Ms. B. Annie Kezia were Convenor and Co-convenors respectively.

## NATIONAL LIBRARY DAY CELEBRATION 2020

**National Library Day Celebrated at Dr. B. R. Ambedkar Central Library**

### *Inculcate habit of reading, students told*

HANS NEWS SERVICE

**Rajamahendravaram:** Adikavi Nannaya University (AKNU) has celebrated National Librarians Day which is also birth anniversary of SR Ranganadhan, the doyen of library science in the country.

Paying tributes to Ranganadhan at Dr BR Ambedkar central library here on Wednesday, AKNU vice-chancellor Prof Mokka Jagannadha Rao said that the services rendered by Ranganadhan for the libraries cannot be forgotten. He brought five acts relating to libraries in the country. Reading habit among the students and people drastically reduced because of

smart and mobile phones and underlined the need to enhance reading habit. The students inculcate the habit of reading books and spend some time every day in the library to enrich their knowledge, he added.

Libraries host many varieties of books under one roof and no one can steal knowledge like other things, he said.

Many great personalities in the world used to spend more time in the libraries to know new things and enhance their knowledge. AKNU will introduce J Stores shortly and already introduced J Gate. Registrar Prof B Ganga Rao, professors K Sri Ramesh, Ramaneswari and others were present.

Nannaya University Vice-Chancellor Prof Mokka Jagannadha Rao paying tributes to SR Ranganadhan in connection with his Jayanti held on the campus on Wednesday.

## Significance of the Day

World environment day is celebrated on 5<sup>th</sup> June. It is UNITED NATION'S prime vehicle for encouraging awareness and action to protect our environment.

It is popularly being called as "People's day" to show their and support for the Earth and its environment.

This day has been made a global platform for the public outreach with more than 143 countries participating annually.

First organized in 1974, it has been a major campaign for environmental issues ranging from marine pollution, human overgrowth and raising awareness about global warming, sustainable consumption and wild life crime.

**Rajamahendravaram:** Adikavi Nannaya University (AKNU) vice-chancellor Prof P Suresh Varma has advised NSS volunteers to participate in social service activities with commitment and dedication.

Participating in the NSS golden jubilee celebrations held on the campus premises here on Tuesday, he said the students should inculcate the habit of serving the needy in society during student life.

Students were future citizens of the country and they should play pivotal role in the development of the country, which is the need of the hour. NSS is the right forum for social service activities, he averred.

University Registrar Prof S Teki said with 290 NSS units, AKNU was having the largest NSS unit in the State. Along with studies, the students should also take up social service activities with the inspiration of great social activist Mother Teresa who served the needy until her last breath, he said. NSS coordinator Dr BJ Jioya Rani and others were present.

## ADVIKA-2K19: A National Level Tech Fest, 2019

### Report

University College of Engineering in Adikavi Nannaya University organized "ADVIKA-2K19: A National Level Tech Fest" on 12<sup>th</sup> and 13<sup>th</sup> September, 2019. The objective of the fest was to promote original and divergent thinking of students and thus hone the skills of engineering students. It provided students with opportunities to prove their technical knowledge and exhibit their innovative ideas.

Students from various universities and colleges across the state participated in the fest. Events and activities in the fest educated and entertained the students. Poster presentation, paper presentation and project expo provided the students with a platform to share their innovative thoughts. Games like tech-charades, coding short films and tricky circuits ignited the creative genius of the student.

Dr. P. Venkateswara Rao, Head of the Department of CSE and Mr. B. Mohan Chaithanya were Convenor and Co-convenor respectively. More than 500 students participated in the fest and made it a grand success.

## World Humanitarian Day celebrated

Nannaya University NSS coordinator Dr Kejiya Rani and others felicitating Ruth Old Age Home organisers Koteswara Rao and Sunitha in Rajamahendravaram on Monday

#### HANS NEWS SERVICE

**Rajamahendravaram:** Adikavi Nannaya University (AKNU) NSS coordinator Dr B Kejiya Rani has said everyone in society should inculcate the habit of helping others.

Participating in a programme held at Ruth Oldage Home at

Bommuru in connection with World Humanitarian Day, she said serving the needy is serving god and everyone should follow it. Everyone in society should mould themselves as good human beings with moral values and ethics, she averred.

Habit of serving the needy in society should be inculcated from

school days, she said. She congratulated Philanthropic Society founder Addanki Raja Yohna for arranging the programme.

Later, old age home organisers Koteswara Rao and Sunitha were felicitated.

PCC official spokesman B Muralidhar, Y Tygaraju, Prof A Praveen and others were present.

## ఒక మనిషికి మరో మనిషి సహకరించుకోవడమే మానవత్వం

రాజమహేంద్రవరం రూరల్, ఆగస్టు 19(గోదావరి విలేజర్): మనిషి మరొక మనిషికి సహకరించడమే మానవతాలక్షణమని సన్మయ విశ్వవిద్యాలయం ఎన్ఎస్ఎస్ కోఆర్డినేటర్ డాక్టర్ బి. కెజియారాణి అన్నారు. ఫిలాంథ్రోఫిక్ సొసైటీ వ్యవస్థాపకుడు అద్దంకి రాజయోనా ఆధ్వర్యంలో ప్రపంచ మానవతా దినోత్సవం

నిర్వహించారు. ఈ కార్యక్రమానికి ముఖ్య అతిథిగా డాక్టర్ కెజియారాణి పాల్గొని మాట్లాడారు. మాజీ గ్రామసర్పంచ్ మత్స్యేటి ప్రసాద్ మాట్లాడుతూ సహాయం చేసే మనస్సుందాలే గానీ చేయలేనిది ఏది ఉండదన్నారు. కాంగ్రెస్ పార్టీ రాష్ట్ర అధికార ప్రతినిధి బాలేపల్లి మురళీధర్ మాట్లాడుతూ మానవ సేవే మాధవసేవని అన్నారు. ఈ కార్యక్రమంలో వైస్సార్సీపీ నాయకుడు యెనుముల త్యాగరాజు, ప్రొఫెసర్ అంబటి ప్రవీణ్, వల్లి శ్రీసు పాల్గొన్నారు. అనంతరం ఛోం నిర్వాహకులు కోటేశ్వరరావు, సునీత దంపతులను సత్కరించి, వృద్ధులకు

**International Women's Day Celebration, 2020  
Report**

International Women's Day was celebrated in Adikavi Nannaya University at Convention Centre on March 6<sup>th</sup>, 2020. Smt. Vasireddy Padma, the Chairperson of Andhra Pradesh Women Commission, the chief guest of the programme, urged all girls and women to shed their inhibitions and fight for their rights.

In connection with International Women's Day Celebration, competitions were organized for girl students, scholars, woman faculty members and staff on 29<sup>th</sup> February, 2<sup>nd</sup> and 3<sup>rd</sup> March 2020 in Adikavi Nannaya University. The competitions organized were elocution in Telugu and English, essay writing in English and Telugu, cricket, tennikoit, running (100 metres) and volley ball. The topics for elocution and essay writing were on freedom and empowerment of woman. Girl students exhibited their creative and original thinking in elocution and essay writing.

The faculty members and staff of the department of Physical Education, Mr. V. Solomon Devanand, Mr. M. V. S. S. N. Murthy, Mr. Ch. V. Subramanyam and Ms Asha Latha coordinated sports events. The literary events were coordinated by Dr. Sajna Raj N., Assistant Professor in the department of English, Ms. Ch. Bhavani, Assistant Professor in the department of Psychology and Dr. L. Sujatha, Assistant Professor in the department of Mathematics. Girl Students and woman faculty members and staff participated in the competitions and won many prizes.

## **ADVIKA 2018**

Celebrating Tech Fest every year by University College of Engineering, AdikaviNannaya University, Rajamahendravaram, has become a tradition. However every year has its own unique way of celebrations and hence the name emerged as ADVIKA.

In today's world technology is being utilized from every corner by anybody to serve their needs for the comfort and communications. The objective of organizing ADVIKA is to raise the students to have a glance of this diversity of technologies and let them know that they can control these technologies when claiming themselves as Masters & Bachelors of Science & Technology. ADVIKA also motivates the students to express, exhibit and prove their talents in different forms.

ADVIKA 2K18 was a 2 days fest, on the first day we have invited the chief guest Sri N.V.S.Reddygaru, Managing Director, Hyderabad Metro Rail Ltd., The program was inaugurated by honorable Vice Chancellor Prof. MurruMutyala Naidu, Prof. P.Suresh Varma, Dean CDC, Dr.V.Persis, Principal, UCE, Dr.P.Venkateswararao. HOD, CSE, Mr.B.Mohan Chaitanya, Course Coordinator, ECE&EIE in NTR convention center, AdikaviNannaya University, Rajamahendravaram.

On this occasion the events were conducted by the student coordinators and Faculty coordinators of UCE, some of the faculty members of UCE acted as judges for selection of winners and runners of the events. The 2 Days, lunch and accommodation was provided for participants. The fest was organized under the supervision of Prof. P.Suresh Varma, Dean CDC, Dr.V.Persis, Principal, UCE, Dr.P.Venkateswararao. HOD, CSE.

On the second Day for we have invited the chief guests honorable Chief Justice of Andhra Pradesh & Telangana, Honorable Vice Chancellor Prof. MurruMutyalaNaidu,

## A National Level Tech Fest: ADVIKA-2K18

### Report

University College of Engineering in Adikavi Nannaya University organized "ADVIKA-2K18: A National Level Tech Fest" from 5<sup>th</sup> to 6<sup>th</sup> October, 2018. The objective of the tech fest was to identify and encourage the creativity and skills of engineering students. It offered opportunities to students to prove their technical knowledge and exhibit their innovative ideas.

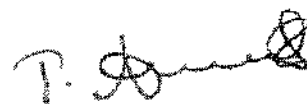

Students from various universities and colleges across the state participated in the fest. Events and activities in the fest excited and entertained the students. Events like poster presentation, paper presentation and project expo provided the students with a platform to share their innovative thoughts and catch up with the latest trends in their areas of interest. Gaming events like tech-charades, coding short films and tricky circuits ignited the creative genius of the participants. Combined with a host of cultural events, the fest was both entertaining and informative to the participants. ADVIKA 2K18 provided the students with a golden opportunity to interact with fellow students across the nation to share knowledge and skills.

Dr. P. Venkateswara Rao, the Head of the Department of CSE and Mr. B. Mohan Chaithanya were convenor and co-convenor respectively. More than 500 students participated in the fest and made it a grand success.

## Management Fest, TALASH 2K18

### Report

The department of Management Studies of M.S.N. Campus at Kakinada conducted Management Fest, TALASH 2K18 on March 1<sup>st</sup>, 2018. It offered a platform for students pursuing MBA courses in various universities and colleges to develop their managerial and marketing skills. Different events were conducted for the benefit of students. Technical events and non-technical events were conducted. Technical events included events like Market Makers, Athena, Young Managers, Ex-Quize-Me and Empressario. Non-technical events included events such as treasure hunt, spot photography, Mr and Miss TALASH. Fun zone attracted many students and all of them enjoyed. The fest gave a platform for students to exhibit their talents and skills. The cultural events in the fest were dance, singing skit and fashion show.

The event was coordinated by both the faculty and the students of the department. The faculty coordinators were Mr. M. Sree Rama Raju, Ms. K. Anilambica, Dr. L Madhu Kumar, Mr. K. Babulu and Mr. A. V. N. A. V. Prasad. More than 500 students pursuing M. Com and MBA courses in universities and colleges in various districts of Andhra Pradesh participated in the fest. It helped students to develop managerial and marketing skills.

## UNIFEST, 2016

### Report

UNIFEST is the festival for all students in the university to exhibit their talents in arts, literature, theatre and sports. UNIFEST is the abbreviated form of University Festival.

In connection with UNIFEST 2016, various competitions were conducted in the month of February and March, 2016. To conduct various competitions, faculty members were given the responsibility to coordinate. Cultural events, literary events, theatre events, fine arts events and sports events were conducted. Cultural events included singing and dance (solo and group). Literary events were essay writing and elocution in both English and Telugu. Theatre events included skit and mimicry. Fine Arts events included 'on the spot painting', clay modelling, rangoli and fancy dress. Sports events were throw ball for women, tennikoit for women doubles, chess for both men and women and long distance running for both men and women. More than 150 students participated in the above mentioned competitions and won prizes.

## Management Fest, SPLASH-2K16

### Report

The department of Management Studies of Adikavi Nannaya University conducted Management Fest SPLASH-2K16 for MBA students at Nannaya University, Rajamahendravaram on 6<sup>th</sup> and 7<sup>th</sup> October, 2016. Prof. Murru Mutyala Naidu, the Vice-Chancellor and chief guest of the programme addressed the gathering and advised MBA students to enhance their knowledge by adopting latest learning systems. "Every student should become master in their subjects", he said. The Registrar, Prof. A. Narasimha Rao, said that SPLASH like programmes were windows to the real world for students of Management Studies and advised them to make the most of such opportunities. The guests of honour, Sri Kanaka Raju, HR Manager, GMR Group, Mr. G. Satya Prasad, Finance Manager, IPAPPM, Rajamahendravaram and Mr. Pattapagahulu Suresh, Career Adviser, Rajamahendravaram encouraged the students to acquire knowledge on subjects and improve their communication skills to get more opportunities in concerned discipline. Different events related to academics and cultural, both individual and group were conducted. More than 1500 students participated from different universities from various districts of Andhra Pradesh.

Prof. S. Teki, Dr. N. Udaya Bhaskar and Dr. P. Uma Maheswari Devi were the Director, Convenor and Co-convenor of the event respectively. Faculty coordinators of this event were Mr. G. Rajendra Prasad, Ms. A. S. Padmavalli, Dr. M. Ramesh, Ms. G. Alice Joy, Mr. A. Srinivasa Rao, Mr. J. Ravisankar, Mr. ISN Raju and Mr. K. Saibaba.
