EVENT - “Career Opportunities after B.Tech”

WEBINAR

On 21st April 2022, an online webinar was conducted on career opportunities after B.Tech by Mr.S.MM Trinath, A motivational speaker, Faculty of ACE engineering Academy. This event was organized by Civil engineering department at CM Block in association with ACE engineering academy, leading institute for ESE/GATE/PSU’S.

Mr.S.R.MM Trinath delivered a lecture about guidance and importance of opportunities in future by qualifying GATE exam. Students from Civil engineering Department in University College of Engineering attended this webinar by ZOOM App. After the completion of lecture, the students were allowed to ask their queries and the queries were clarified by respective resource person. 140 students attended to this webinar.
