### GIG: INTRO

The 'GIG' idea came from Honorable Vice Chancellor *Prof.Mokka Jagannadha Rao* & started by *Dr.V.Persis*, principal of UCE on March 17<sup>th</sup> 2022.

We had GIG Inaugural and MoU with Dreamstep software solutions on 22march with Honorable Vice Chancellor *Prof.Mokka Jagannadha Rao* & *Dr.V.Persis*, principal of UCE, Faculty coordinators at EC Hall.

### GIG – GATE Interest Group

- This group helps in sharing study resources among the students in that group. Doubts can be clarified among themselves. Competitive mind set helps in scoring well in the examination. This group helps students who are not aware of the GATE and its uses in future.
- Students who are aware of GATE will get more benefit from this group. Tests will be conducted under club of NIRMAAN, so as to improve the students' performance in the examination.
- A student badge will be given to the student who is topper of that week examination and that badge will be passed to the next week topper in the examination. We may conduct Computer Based Examination (CBT).

**GIG** – Orientation class has conducted on 30th March 2022. Total 39 students are attended to this program.

**After Orientation** – Total 46 students are interested for GIG from Department of Civil Engineering.
