Overview on WorldSkills Competitions

• WorldSkills Competitions is the largest skill competition in the world, held once every two years in one of the WSI (WorldSkills International) member countries. These competitions provide both a benchmark for high performance and an objective way to assess vocational excellence.

• The main objective is to promote world class standards in over 60+ skills under six skill strands. The contestants below the age of 25, compete over a span of four days working on test projects (16-22 hours) which are based on contemporary industry standards and infrastructure. The competition is equivalent of Olympic Games for skills amongst youth across the world.

• 80+ countries are participating in this world Skill Competitions

• The 1st WorldSkills Competition conducted in 1950 at Spain. The 46th WorldSkills Was Held in Different Countries in 2022 46th WorldSKills Was Scheduled in France Lyon 2024
